Cage Season Opens Nov. 27 -- Four Regulars Back

Luke Witte, center

Forty-eight hours after the football game today, fans will begin wending their way toward St. John Arena for opening of the 1972-73 varsity basketball season. The opponent will be the University of Wisconsin of Milwaukee.

Ohio State will have its most experienced team in recent years with four of five regulars back from last year's 18-6 team. The second team returns intact. This favorable experience factor comes at a fortunate time as the Buckeyes had only three tendered athletes on last year's freshman team.

Captain-Guard Allan Hornyak and center Luke Witte, both seniors, are expected to pace the attack again this year.

Forward Wardell Jackson and guard Dan Gerhard can supply further scoring punch. Both are juniors who had fine sophomore seasons.

Dan Gerhard, guard

The fifth starter has not been determined but there are four outstanding candidates, two from last year's second unit and a pair from the freshman squad. Varsity holdovers are Bob Siekmann and Jack Wolfe while Bill Andreas and Steve Wenner are the newcomers.

The next home game is Dec. 9 with Missouri.

The schedule is: Nov. 27, Wisconsin (Milwaukee branch), here; Dec. 1, at Washington; Dec. 4, at Notre Dame; Dec. 9, Missouri, here; Dec. 16, Butler, here; Dec. 18, Virginia Poly, here; Dec. 21, Ohio Univ., here; Dec. 27, Yale, here; Dec. 29, at Creighton; Jan. 6, Michigan, here (regional TV); Jan. 13, at Indiana; Jan. 15, at Georgia Tech; Jan. 20, Iowa, here; Jan. 27, at Purdue; Feb. 3, at Wisconsin; Feb. 5, Indiana, here; Feb. 10, Minnesota, here (regional TV); Feb. 12, at Iowa; Feb. 17, at Illinois; Feb. 19, Purdue, here; Feb. 24, Northwestern, here; Feb. 26, at Michigan State; March 3, Illinois, here; March 10, at Michigan.

Publicist and Business Manager to Retire

Wilbur Snyppe at football photo day

Wilbur E. (Bill) Snyppe has started his 29th and final year as athletic publicity director of the Buckeyes. He plans to retire July 1, 1973.

The popular Ohio State publicist, a familiar figure in football, basketball and baseball press boxes, has a host of friends in the newspaper, radio, television and photography fields.

A former newspaperman, Bill has an understanding of the requirements of writing and editing.

Born in Dayton, Ohio, Bill nevertheless considers himself from Columbus. He attended Eastwood and East High schools before enrolling at Ohio State. As an undergraduate in the School of Journalism, Snyppe was sports editor and business manager of The Lantern and served as campus correspondent for the former Ohio State Journal, Columbus' morning newspaper at the time.

Following graduation, Bill was named sports editor of The Canton Daily News, becoming the youngest sports editor of a major newspaper in Ohio. His first assignment from publisher James M. Cox was to cover the 1925 World Series between Washington and Pittsburgh. Later he became city editor of the paper.

After serving in various capacities with The Lima News, which he joined in 1930, Snyppe returned to the university in August of '44.

Bill has seen the Ohio State varsity program double in size from the wartime number of nine to 18 in 1972.

Snyppe always has been editor of the official Ohio State University football program, a duty he enjoys, but one that takes many man-hours to compile. He initiated the policy of printing the half-time music of the Marching Band in the program.

Bill served as secretary of the College Baseball Writers' Association of America for five years, from 1966-1971.

Bill and the athletic department are proud of the two special citations given the Ohio State football press box by the National Football Writers Association of America. In 1955 an award was given for "outstanding working facilities" and in 1956 it was acclaimed for "exceptional services."

One of Bill's press box innovations has been adopted nationwide. This calls for coaches' post-game comments

E. E. Bernard

to be available in mimeographed form after the game, along with statistical information provided to the press.

In 1970 Snyppe was elected to the Helms Foundation Hall of Fame for Sports Information Directors.

The date of July 1, 1973 will mark the retirement of another athletic department employee, E. E. "Bernie" Bernard.

Bernard joined the athletic staff August 1, 1942 as auditor. In July, 1965, he became business manager of athletics and has remained in this capacity to the present time.

Bernard, originally from Port William and Wilmington, Ohio, attended Wilmington College for two years before enrolling at Ohio State. He was graduated in December, 1925, with a B.S. degree in marketing.

Following graduation from Ohio State, Bernard was a factory representative for a compressor company; worked for the United States Internal Revenue Service; entered into the automobile business with his brother; worked as district representative for the Goodyear Tire and Rubber Company with its dealers and outlet stores and was in the accounting business in Muncie, Ind., prior to joining the Ohio State athletic department.

Bernie and his wife, Mary Kay, plan to spend their winters in Florida, where their son is a veterinarian.

A Salute to Two Gentlemen Who Will Leave Us This Year

Bill Snyppe, Sports Information Director, has served this Department in a most dedicated fashion for 28 years. He has made friends across the country both for himself and for this Department of Athletics.

E. E. "Bernie" Bernard, has served faithfully and competently for 30 years. He is our Athletic Department Business Manager.

Both of these gentlemen will retire June 30, 1973 and we take this opportunity to say "THANKS" for two jobs well done and to wish them both the very best.

■ In celebration of Ohio Stadium's golden anniversary, the official alumni organization — The Ohio State University Association — invited a distinguished alumnus to create a special commemorative page for this season's football programs.

■ "My Stadium" (on the opposite page) is the affectionate accomplishment of Milton Caniff, BA '30 and is typical of his loyal interest in the affairs of Alma Mater.

■ Milton Caniff, whose "Steve Canyon" adventure strip is read by millions, received the Reuben Award, highest award of the National Cartoonists Society, in the spring of 1972.

■ Some of his works are on display in Alumni House in the Fawcett Center for Tomorrow, on Olentangy River Road, just across the river and north of the stadium. Stop by after the game.

■ Ohio Stadium, built through private donations by some 13,000 alumni and friends, was completed in 1922 — after only 13 months of work powered mostly by horses and steam engines. A series of Ralph Fanning watercolors depicting the stadium construction is also on display in Alumni House. Drop by.

■ Alumni House is campus headquarters for the University's graduates and former students. It houses the official alumni organization, The Ohio State University Association, which is the second largest dues-paying alumni association in the nation and the largest such organization in the Big Ten.

■ Please accept "My Stadium" as a souvenir of the horseshoe's 50th birthday and please accept our invitation to learn more about membership in The Ohio State University Association. Stop by Alumni House, while traffic clears, on your way home. We'll even provide a cup of coffee!

MY STADIUM

THIS IS MY PLACE — WHEREIN I LIVED MY WALTER MITTY DREAMS OF GLORY AND ACCLAIM...
EXPERIENCED LOVE AND HATE; CHEATED, LIED, DESPAIRED,
AND FELT THE BLOOD-LUST OF ACCOMPLISHMENT.

WHEN ONCE I'VE FOUND MY SECTION, ROW AND SEAT, NO MATTER WHOM I'M WITH, I LAPSE INTO A FIRM COCOON OF REVERIE. IN THIS GREAT FLEXION I WATCHED OHIO'S MEN MAKE HISTORY IN FAILURE AND SUCCESS, MY TEAM; MY COLORS—WIN OR LOSE! I CONNED AN EXTRA STUDENT BOOK AND CHANGED THE NAME—SO WEEKEND DATES COULD SIT BESIDE ME IN THE CHEERING BLOCK. ONE YEAR, ASPIRING TO LEAD INSTEAD OF MERELY YELL—I FOUND MYSELF SURROUNDED BY THE MARCHING BAND OF MICHIGAN! I SHOUTED INSULTS—KNOWING THE PLAYERS WOULD NOT BREAK THEIR RANKS TO TAKE REVENGE UPON THE GADFLY BUZZING IN THEIR EARS. AT TOO LONG LAST MY OWN COMMENCEMENT TOOK PLACE HERE; HOT JUNE MORNING; BATHTUB GIN COURSING FROM REMORSEFUL PORES.

NOW THE GRACEFUL PILE IS MONUMENT TO ALL OUR SEASONS PASSED, WEARING ITS FIFTY YEARS WITH DIGNITY AND EASE. SURELY, ON MOONLIT NIGHTS WHEN VELVET SILENCE SEEMS TO CLOAK THE SLEEPING CRESCENT, THERE MUST YET BE ECHOES—YESTERSOUNDS! GREAT ROLLING 'YEA OHIOS'; CRASHING CYMBALS—AND THE FIRST FEW BARS OF 'BATTLE CRY'; PEAL OF VICTORY BELL, SWEEP OF FIGHT THAT TEAM! INTONING GRADUATION WORDS OF SPEAKERS TRYING HARD TO SAVE THE SENIORS FROM THEMSELVES... THIN CRIES FROM TRACK-MEET CROWDS; EVEN THE GROANS OF BASEBALL FANS WHEN SMASHING HOMERS ARCHED INTO ITS DEPTHS—BECOMING GROUND RULE DOUBLES INSTANTLY! BAND MUSIC SWELLS—AND STOPS—A CAPPELLA—THRONGS OF PEOPLE 'SING OHIO'S PRAISE' AND THEN THE ECHO FADES AS MORNING COMES.

MY THOUGHTS ARE SELFISH ON THIS NATAL DAY! I'M GLAD NO PERSON'S NAME WAS EVER GIVEN TO THIS VAST, DEAR TILTING GROUND... BECAUSE IT'S MINE — MY STADIUM!... JUST AS IT IS YOURS AND YOURS—AND YOURS!

"The Printing House that Keeps its Promises"

University of Michigan Marching Band

The University of Michigan Marching Band, under the direction of Professor George Cavender will open its pre-game show with a special Ohio fanfare and a new arrangement of the Buckeye Battle Cry and Across the Field as they salute Ohio fans. This will be followed by a salute to the Michigan fans with the "Victors" and "Varsity" and the pre-game will conclude with a chorus line routine by the band to the hit melody from "Cabaret."

The year of 1972 was one of nostalgia and so the Michigan Band's half-time show will center on this theme. The show will open with a sequence concerning the man who started Rock and Roll — Elvis Presley. "Big Bands" experienced a revival in '72 and the band features trombones in a Duke Ellington special "Take the A Train," woodwinds in a Count Basie feature, "Swinging Shepherd Blues" and finally cornets and trumpets in a Dizzy Gillespie special, "How High the Moon." The band will then bring back a 50's feature as it dances to: "Rock Around the Clock." The finale will be a "replay" of the Michigan versus Ohio game on a special "screen" with the "overtones" of the outcome of the game, "California Here I Come."

Best for putting on the dog!

Chevrolet. Building a better way to see the NCAA

Laguna Colonnade Hardtop Coupe

The new 1973 Chevelle Laguna. Good news, Chevelle fans. Now you can move up to more car without leaving the make you love most. You can move up to the new 1973 Laguna.

Laguna is a new kind of Chevelle, the top of the line. It has a special front, a special rear and a special interior. The distinctive front is made mostly of a material called urethane that resists dents and dings. Styled right into the front end is the new improved front bumper system that retracts on minor impact and helps cushion the shock.

Inside there are rich-looking fabrics, wood-grain vinyl accents, a soft-rim color-coordinated steering wheel, map pockets and other luxurious appointments.

Laguna, like other '73 Chevells, has the new Colonnade hardtop roof design, power flow-through ventilation, front disc brakes, and more rear seat leg room than ever before.

The 1973 Laguna. A new and better way to see the NCAA.

Chevrolet. Building a better way to see the U.S.A.

Enjoy the game. And remember to buckle up on the way home.

SOME OFFICE JOBS ARE MORE INTERESTING THAN OTHERS

In the old days if a man wanted to be an executive and craved adventure too, he could skipper a clipper ship.

Today...the clippers are gone...but the supersonics are here. And swashbuckling executives still get their chance.

That's maybe a million bucks worth of plane. And when you fly it the responsibility's all yours.

If you'd like to mull that over every time you bank or roll at 1,400+ mph, try for Officer Training School

after you graduate from college. After completion of this school you will attend pilot training and have a starting salary of more than \$9,400 annually. Also, remember the nice idea of yourself, an Air Force pilot, captain of all you command, getting to visit foreign ports like the clipper captain of yore.

An Air Force officer's life is a great life!

Why just be skipper of a desk?

For complete information contact your local Air Force representative.

RALPH GUARASCI

One of the most dedicated employees in the history of the Athletic Department at The Ohio State University passed away on November 14, 1972. Ralph Guarasci served this Department from 1940 to 1971, when he retired in June. His contributions in the area of Athletic facility maintenance supervision were beyond number. He was kind, he was fair and no one could be more considerate of his fellow man. Ralph and his wife Cecelia took justifiable pride in the fact that their four sons graduated from The Ohio State University. Ralph will be sorely missed by his family and his multitude of friends. He deserved a much longer period of retirement.
